ACTIVITY COMMITTEE REPORT – DECEMBER 2022

Hello GVE! More and more of you are starting to arrive and unpack and get ready for this season.

There are a lot of exciting things happening. A list is included in this newsletter. As I write this message, we have started the Festival of Christmas Trees. This event has been headed by Sandi Ivey and Sandi and her helpers have done an amazing job. The trees have been decorated by many people in our park and they are beautiful. So please don't miss all the daily events included in this festival, which is a huge fundraiser for our park. So please be generous.

If you have any questions, please don't hesitate to call me. Phyllis

First off, thanks to everyone that has been so supportive of the work the Communications Team has been doing these past months, getting information gathered and sharing information with all of you. Starting in January you can have an option to receive the Newsletter either in paper form or read it on the Golfview website and print it off if you desire a hard copy. This is only an option, and the Newsletter will continue to be available in paper form and delivered as usual. The cost of printing like every thing else has gone up and some of you prefer electronic documents so this option will be available starting in January. This is posted on the [website](https://golfviewstates.info/newsletter-options.html) with an option to receive electronically or continue the paper version. Anyone that doesn't respond will continue to receive it in paper form. Have a Very Merry Christmas! <https://golfviewstates.info/newsletter-options.html>
