Presidents Report

My friends and fellow residents, I would like to thank you all for your support. It has been an exhilarating and challenging first two months as president of our HOA. It is a pleasure to be working with my fellow board members. On behalf of the board and myself I would like to thank everyone who has volunteered to help with our fundraising endeavors.

I would like to thank all the volunteers who help make our fundraising a great success and lots of fun. Queen of hearts, spin your wheels, the breakfasts, movie night, putter ball and all the other fundraisers have been a great time. We look forward to doing more of the same when we come back from the summer.

We still have work to do in making our park better. The Electric Lighting project, club house remodel, By-Law and Covenants enforcement, street repair are but a few issues that we will be working on. But I honestly believe that working together and coming together as a community will only make GVE the best park in the Martin Valleys. I wish everyone safe travels back home and look forward to your return come the winter.

Best Wishes Jorge Garcia

APRIL 2024 REPORT FROM THE ACTIVITY COMMITTEE

We are approaching April and the end of our 23-24 season. It went by fast. So we must've had a lot of great things happening in our park which created a lot of fun for everyone.

I'd like to take this opportunity to shout out a big THANK YOU to Fred and Jackie Willich for the pizza party this last Saturday. It was in appreciation for all those who have volunteered their time and talents with the recovery project for our pool area and for the remodeling inside our rec hall. All of GVE was invited. A wonderful time was had by those who attended. And the pizza and the many homemade desserts were delicious.

Our last activity will be our GVE Easter Dinner, Sunday March 31st at noon is social hour and dinner will be at 1 pm.

Please be sure to bring your own place setting and your own beverage. Coffee will be provided. Ham will be provided by the Activity Committee of GVE so please bring a dish to share. Many of you have already signed up but if you haven't you can do that on-line or at the rec hall. It's a great time to mingle with our neighbors and to have a yummy feast.

Don't forget to attend the last park meeting of the season which will be on Tuesday April 2nd at 6:00pm.

I have neglected to include a sunshine report every month this last season. So you will find a list of that report in this newsletter.

Safe travels for those of you who will be traveling back to your summer homes. Activities have already been planned for the 24-25 season thanks to Danna. The committee is looking forward to seeing everyone for those festivities. Remember – if you have any questions, you can call me anytime. Phyllis – 414-313-5874.

Wishing you all a healthy happy summer.

WELCOME NEW RESIDENTS

Tim Klein & Dawn Ballantine—Trevino Dr.

Doug & Kathy Hart—Golf Dr.

Thanks to everyone that took part in the chair exercises and water aerobics this past winter. We had some challenging weather for the water aerobics, but we were still able to get some good exercise in. We hope to start both classes again when we get back next fall. Just because I am not here for classes doesn't mean you have to stop. You know the routine for water aerobics and there are plenty of chair exercises on YouTube! Keep it going!

I had fun with our movie nights and comedy afternoons. I have been given some good suggestions for next fall. Thanks to all that came and enjoyed them with us. Special thanks to the McGroarty's and Howey's for making popcorn and Roz for the special treats! - Chris

CALLING ALL CRAFTERS

Want something to work on this summer? We need crafters for the 2024 Festival of Trees Country Store. We will offer a cash and carry store this year and ask residents who like to craft to help us out. Show off your specialty! Ideas include: handmade ornaments, crocheted or knitted items, woodworking, embroidery work, homemade jams or jellies, etc. Contact Janet Harmon or Naomi Koch.

A word from the GVE Board

Involvement is Key!

We all have talents, and the time is now to share. It does not matter how big or small the participation is, the important thing is that we all work together. Anything at all will help from:

Picking up windblown garbage, to helping a neighbor in need.

Helping to paint, build, clean at the clubhouse

It does not have to be anything physical, as we have a vast amount of knowledge and experience out there. Let's utilize all this physical ability, knowledge, and experience to make this the best park in the area. So please consider sharing your talents and taking some ownership in our community so we will continue to grow and prosper, even make new friends along the way!

Not to take away anything from the great volunteers we have already but to help us lessen the burden they already carry. Some areas in need that come to mind are:

Closing of the clubhouse and pool

More help with activities, choose the one you want to coincide with your interests.

Input to any of the other committees such as:

Long range planning (which includes maintenance, grounds, and pool)

Other committees established such as:

Activities/events

Architecture/ compliance

Communications

Nominating/election

Meeting Attendance Table Team

Annual Financial Review

Remember, just because you help one time does not mean you are obligated to help every time. Try out a few different ones and find a committee that works for you!

I can't wait to hear from you to make some new friends! I am open to receiving any suggestions or comments. Please call/text me at: 612-964-8938, B.O.D. Kay.
