**COMMUNICATION COMMITTEE NEWS** In moving forward with the technology, the Communication Committee held a meeting on March 25th to discuss the future of the Newsletter and its operations. With the need to change software and Dale and Susie's schedule, they agreed it would be best if we could find a replacement. They are more than willing to help as needed. We would like to thank Dale and Susie for their many years of dedication in getting the Newsletter put together, printed and out to the residents. We appreciate all they have done! We are always in need of Tech Savvy individuals. If you are interested, please contact any member of the BOD or the Communication Committee. We will update everyone in the fall. Have a great summer and Safe Travels to those who are leaving for the summer! Kay Hendrickson

### APRIL 2025 REPORT FROM THE ACTIVITY COMMITTEE

Hello GVE! We are coming to the end of the 24-25 season. We have had a lot of activities to enjoy. We have seen a lot of improvements going on. We've lost some dear friends. And we've gained a lot of new friends/neighbors. Now it is time for a lot of us winter Texans to pack up and head north. In March we had a pizza party with music and dancing – all provided by Fred & Jackie Willich in thanks to everyone who volunteered their time and talents to provide a great season. All of GVE was invited and a great time was enjoyed by those who were there. Thank you, Fred & Jackie!! There was a Spin Your Wheels event in March that was followed by a pork sandwich supper. The pork was smoked by Kent Anderson. It was deeeelicious! And Chris Anderson made the coleslaw. Those who attended sure enjoyed a wonderful meal. Thank you, Kent & Chris!! I'd like to take this opportunity to say thank you to all of the people who helped make the events of this last season successful. The saying is "it takes a village" or "more hands make the task easier". Yes, it is a lot of work to volunteer but there is also a lot of fun in it as well. I hope you will consider volunteering next season and get to know your neighbors here in GVE. Don't forget to attend the last meeting of this season on Tuesday April 1st at 6pm. It helps you to know what is happening in your neighborhood. The 25-26 season starts up in November. On Sunday April 20th, the activity committee will be hosting Easter Dinner. Social hour is at noon and dinner will be at 1pm. Please be sure to bring your own place setting and your own beverage and a dish to share. Coffee and ham will be provided. Sign-up will be on-line to attend and to sign up to share a dish and to help with setting up and cleaning up. It's a yummy meal and a great time to gather in friendship. I have neglected to do a sunshine report every month – so you will find a list of that in this newsletter. Another item of importance is that we have a new librarian. Kathy Hart has offered to take on the job of keeping our library in order. Thank you very much, Kathy! Activities have already been planned for next season thanks to Danna. We start December with Festival of Trees. And in January there is our annual park sale. And it goes on from there. If you have any questions, please feel free to call me or any one of your board members. Wishing you all a healthy happy summer!
