## MARCH 2023 ACTIVITY REPORT

Here we are ending another month of life in the valley at GVE.

We started February with our soup supper fund raiser for Comfort House. It was a great day for soup! From 2022, about the same amount of people attended - about the same amount of yummy soups were made – about the same amount of money was raised – but there were less raffle baskets. So maybe with more people and soups and raffle baskets we can raise a little more money for this great cause. Here are the totals: \$426.00 ticket sales - \$209.00 from the donation box - \$308.00 from the raffle baskets - \$64.00 from the 50/50 raffle – for a grand total of \$1,007.00. A big thank you to all of you who made soup and to those who made and donated a raffle item or basket and to all of you for your monetary donations.

Putter Ball Golf was another fun happy hour event. You don't have to be a golfer to play and you don't need a partner to enter. Another Putter Ball Golf has been scheduled for March 5th . Give it a try!

We had our park breakfast with approximately 175 people attending. That was up from January's breakfast but we know we can do better.

We had another winner at Queen of Hearts. Our very own Bill Howey! So we are on our 3rd game with a new deck of cards and with a few new ways to win money. Come on Mondays and Fridays from 3-4pm for a fun happy hour time.

We had an evening with the Lockharts and what a fun evening that turned out to be. Lots of people were there and everyone got in their fair share of dancing. Everyone also got to help Neele Kruse celebrate his 90th birthday. A great time was had by all.

And here are some highlights coming up:

Thursday March 2nd is Hamburger Night at 5pm. \$8pp at the door will get you a yummy meal. Bring your own beverage. Coffee will be available.

*Sunday March 5th is the next Putter Ball event at the rec hall from 4-6pm. \$5pp for a fun time.*

Thursday March 9th is Spin Your Wheels 3-5pm. Meet at the rec hall. If you haven't done this, give it a try. Another way to win some money and meet your fellow GVE neighbors.

Saturday March 11th is our last park breakfast of this season. Tell your friends to join in for a great breakfast.

Thursday March 23rd is Spin Your Wheels 3-5pm. Meet at the rec hall.

Please remember that these events help to raise funds for our rec hall.

There will be an Easter dinner at our rec hall for GVE members on Easter Sunday with fellowship at noon and dinner at 1pm. Ham will be provided. Sign-up will be available soon for attending the meal and for bringing a dish to share.

As always, you can call me with any questions. Phyllis 414-313-5874

## **Communications Committee Update**

The Communications Committee met and discussed some of our goals for next fall. They include: Internet availability in the club house, purchasing a retractable screen and projector for the club house, and more contributions to the Newsletter among other things. Please let us know if you have suggestions or can be of help.

If you are thinking of switching internet providers or are new to installing internet, then please consider [Power Broadband](#) (click to view plan options) for your provider. Based upon our research, no other Internet provider to Golf View can provide this speed at such an affordable price. You can contact them at **956-224-9159**. If Golfview Estates can get 10 new accounts as a result of referral from other GVE residents, Power Broadband has offered to install Wi-Fi Internet at the club house for no monthly fee. We have three, maybe four signed up already so we are well on our way. Be sure to mention you were referred by GVE.

Resident contact information changes happen throughout the year for the residents of Golf View Estates so please keep us advised on any changes to your information, including addresses, phone numbers, email addresses, and emergency contacts. The online directory is updated monthly and it's our intention for it to always be current. You can keep us updated through the Golf View website under the "Residents" menu or by contacting us at [golfviewestates.info@gmail.com](mailto:golfviewestates.info@gmail.com)

If you live in GVE year-round, would you consider helping keep our Winter Texans informed? You can do so by letting us know of park happenings, weather updates, illnesses, special occasions, etc. (also think street floods, GVE maintenance projects, golf course news, new residents coming in or leaving, as examples.) Send these to [golfviewestates.info@gmail.com](mailto:golfviewestates.info@gmail.com) . We also hope that Facebook will continue to be a way to keep in touch and informed over the summer months.

It would be awesome if each Board Member and/or committee lead would get information to the Milefchik's at: [fidogolfgirl@gmail.com](mailto:fidogolfgirl@gmail.com) by the 25th of each month for the Newsletter. This runs from November through April. Dale and Susie do a great job on the Newsletter but need everyone's help in getting their articles to them. Thanks!!!!

Some of you will be heading home so please have a safe trip!!!!

**PETS in Our Park**

There seems to be some violators of our park's pet rules.

Below is a gentle reminder of part of that rule.

According to our Covenants –

Section 7 #14 Pets

It is stated that pets shall not be allowed to run loose and must be controlled.

Pet owners shall have the responsibility of keeping their pets quiet and

shall pick up waste from their pets.
