## Communications Team

The communications team would like to thank all the residents that helped us update the GVE records by completing our survey. We ended up with 141 residents responding. We received some very useful information from these surveys on the best way to communicate with all residents of GVE. We found that 85% of GVE residents have email addresses, 93% have internet access, and that 77% of you familiar with the GVE website would like to see more information on the website. We now have an updated website (discussed in separate article) and would love to hear comments on how we can continually improve the site and any other items you would like to see included on the site. Renee Muggie is collecting those comments for the team at [rmug-ge49@gmail.com](mailto:rmug-ge49@gmail.com) or you can send them to the webmaster Rich Lowe at [richlowe@web-iowa.com](mailto:richlowe@web-iowa.com). We want to give a special thank you to Rich Lowe for development of the new site, Rich's son Jeff who worked on the site with Rich, and Jeff's company ClickStart Web Design that is donating their server for GVE use. Also, a special thank you to Dave Armstrong for all the work he did on the old site and the assistance he has given to Rich on the new site. **Please keep us updated on email changes so we can keep you informed.**

If you don't have internet access or email, no problem. The communications team is now aware of who doesn't have access and will work to keep all of you informed of all information through the Newsletter or bulletin boards at the GVE clubhouse.

APRIL 2022

HELLO GVE!

This will be the last message from the activity committee for the 21-22 season.

We had a taco night on Wednesday March 16<sup>th</sup>. We had approximately 72 people attend. It sure was a delicious meal.

A big thank you to the cooks. Maria and Carol for cooking the charro beans. Kent for cooking 30# of meat. Darla, Sharon, and Frieda for chopping onions, & tomatoes. And thanks to all the servers. It was a nice evening to gather and enjoy each other's company. The profit from this event was just short of \$300.00.

Tuesday April 5<sup>th</sup> at 10am is the last activity meeting of the season. Please attend if you can and maybe we can put together a few ideas for next season. On this same day at 6pm is our last park meeting of the season. Please attend for a final update on our park.

We will be having a GVE Easter dinner on Sunday April 17<sup>th</sup>. Ham will be provided. The sign - up sheet is available at the rec hall to attend and to bring a dish to pass and to help with cleaning up. Social time will be at noon and dinner will be served at 1pm. Be sure to bring your own place setting and your beverage of choice. Coffee will be available.

I would like to thank everyone who helped support our park this year by attending our events. It helps the cause! And I especially would like to thank all of you who volunteer your time and talents in helping put our events together. I truly appreciate all of you. It's amazing how more hands make everything so much easier.

I would like to wish you all a safe trip to your summer homes. Safe travels and enjoy your family and friends. Wishing you all good health. See you in the fall. Phyllis

### **New GVE Web Site!**

Check out our exciting updated website at [golfviewestates.info](https://golfviewestates.info) today! We think you're going to find many of the features quite useful. The site will offer a continuously updated list of upcoming events; the option to signup for meals or couples golf directly from your phone, tablet or laptop; useful forms; photos; an online version of the newsletter; minutes of meetings and much more. The site is up and running now. While the "signup" feature will not be officially utilized until early November, we invite you to try it out now.

As I have had the opportunity as Treasurer for Golf View Estates, I have enjoyed getting to know so many of the homeowners. While I'm still not very good with names, I do recognize many of your faces. As Treasurer, my role is to help everyone understand our financial position, so if there is anything I can do to assist you in any way please let me know.

One thing I've learned over the past year is the number of volunteers we have who spend a little to a lot of time keeping our community going. We certainly would not be the strong community without these volunteers. I'm not going to list names, and I'm sure I'm leaving out some group, but I want to share what I have learned about the number of opportunities we have to get involved and how people are committing their time and resources. My appreciation to all of these volunteers;

Activities Director and committee

Maintenance of clubhouse and swimming pool

Veterans Day Breakfasts, Monthly Breakfasts, Hamburger Night, Taco Night, Valentines Dinner

If you know of other services, join me in 'thanking them' for their service as well. Because of the enormous volunteers, we have a beautiful park, pool and recreational hall. Thank you GVE Volunteers!

If you are interested in volunteering, please reach out to one of the GVE Board members for more information. We're always looking for more help.

Have a great summer and we'll see you in the fall.
